Mr. Hingtgen:

My husband and I tax paying SENIOR CITIZENS.

We have lived in Boulevard since 1999, on 8 beautiful acres. We have 100 oak trees on our property, some as old as 200-300 years.

Our sweat and life savings is in this property

If the Soltec project goes thru you will destroy the wells in the area a kill the OAKS.

There are many senior property owners in Boulevard.  
What you have proposed will put us in financial ruin.

Sincerely, Mr. & Mrs. Ken Oppenheimer  
39544 Clements. St. Boulevard
